- LawMate #PV-500NEO-PRO

We have seamlessly designed this easy to use touch screen DVR and camera system with an on board menu, so don't bother with the

Cameras and DVRs

settings or figuring out how to use it. Detailed settings can be customized by using the DVR control or a paired Smart Device using the PV Cam Viewer App. This can hold up to 32GB in storage, to collect multiple recordings in 1080P resolution. Our DVR is complete with a rechargeable battery, so don't worry about finding those AA batteries! Our system is compatible with both Mac & Window users, so anyone can use it.

DVR/Camera Best Uses: Law Enforcement Investigations, Loss Prevention, short term surveillance, retail secret shoppers, body worn covert surveillance, sporting events, point of view surveillance & undercover journalism.

Made by LawMate, supported by KJB: a winning combination
