

The CN-FP1G1-W Wall plate is a great choice for any residential or commercial application. This wall plate is designed with rounded corners that help resist dust accumulation. Its mid-sized design also hides wall surface irregularities, giving you a clean, finished look.

This CN FP1G1-W single gang rocker wall plate is made of durable materials and comes in a white finish that will match most home and office decor. The classic design provides a simple, yet stylish look and is ideal for any wall installation, including outlets, switches, and light fixtures. It's easy to install and requires minimal effort to mount.

The CN-FP1G1-W Wall plate is constructed with a hard plastic that is designed to withstand wear and tear over time. It comes with mounting screws that can easily be secured into place with a screwdriver. And CN FP1G1-W is rounded edges to make it smooth to the touch, so you don't have to worry about sharp edges or accidental scrapes. All of these features help make this wall plate both functional and aesthetically pleasing.
