The CN-FS6T1-W (10 Pack) Wall plate Insert 6 Keystone Ports is an innovative solution for any home or office space. This wall plate insert allows for multiple uses of keystone inserts and is compatible with all standard Décor wall plates and Décor Plus snap-on faceplate. With the ability to easily snap in modules, the CN-FS6T1-W is both versatile and easy to install.

The installation of the CN-FS6T1-W (10 Pack) Wall plate insert is quick and easy, reducing the amount of time that is needed to set up and connect the modules. It is also made of a high-quality plastic material that ensures a long-lasting performance. The plastic material is designed to resist UV rays, corrosion, and other environmental factors. It also allows for less heat, which helps to reduce energy costs.

The CN-FS6T1-W (10 Pack) Wall plate insert is designed to provide the user with an efficient and cost-effective solution. It allows for multiple connections, which provides the opportunity to create a custom set up. With a wide range of compatible devices, you can combine the wall plate insert with other multi-gang wall plates for a seamless finish.

Overall, the CN-FS6T1-W (10 Pack) Wall plate insert is an ideal solution for anyone looking for a reliable and affordable way to connect various types of keystone inserts to their wall plate. With its easy installation and its high-quality design, this wall plate insert will help to provide an attractive and long-lasting finish to any room in your home.
