TW-HKCT200 7 inches (17.78 cm) Long Cable Cloth Tie Straps. These straps are versatile and long-lasting pieces of hardware designed to keep your cables neatly organized and secure. Available in Red, Yellow, Blue, Green and Black colors, with two of each color and seven inches (17.78 cm) of length, these straps are the perfect accessory for any cable organization project.

The TW-HKCT200 7 inches (17.78 cm) Long Cable Cloth Tie Straps are made of high-grade materials that offer superior strength and durability. The straps feature a Velcro closure for easy and secure fastening, and are UV resistant to protect against fading. The straps can also be easily cut to length to accommodate different cable lengths, and the cloth material is easy to grip for effortless installation and release.

The TW-HKCT200 7 inches (17.78 cm) Long Cable Cloth Tie Straps offer a versatile and effective way to keep cables organized and secured. The straps come in a variety of colors, so you can easily match the straps to your project's color scheme. The straps are available in packs of two, so you can have an extra set in case of an emergency. With the adjustable length, easy grip material, and secure Velcro closure, these straps are perfect for any cable organization project.

The TW-HKCT200 7 inches (17.78 cm) Long Cable Cloth Tie Straps are an affordable and convenient way to keep your cables organized. Their strong and durable construction is sure to last for years, while their easy installation and secure Velcro closure make them versatile for a wide range of applications. Whether you're looking for a way to keep the cables in your home theater setup neat and tidy, or to securely bundle up computer, headphone or mobile device cables, these straps are the perfect solution.

These TW-HKCT200 7 inch (17.78 cm) long cable cloth tie straps come in a variety of colors – red, yellow, blue, green, and black – and come in packs of two each. Perfect for organizing and securing cables. Straps are great for bundling together any cables, such as computer, headphone, or mobile device cables. They are also perfect for home, office, and industrial applications, with the Velcro closure ideal for keeping cords in place and preventing fraying. The straps can also be used for general cable management, such as in a home theater setup, where the straps help keep cords from getting tangled when tucked away behind furniture or in wall crevices.
