The TW-HKCTH6 Nail Cable Clip, a must-have for any DIY enthusiast or electrical contractor.

Constructed entirely of sturdy, yet lightweight plastic and metal, the clip is designed to handle any wire gauge with its precision-crafted internal size of 0.236 inches (5.99 mm) x 0.275 inches (6.99 mm) (D×H). The exterior size of the clip is 0.47 inches (1.19 cm) x 0.197 inches (5 mm) x 0.236 inches (5.99 mm) (L×W×H), with a nail size of 0.067 inches (1.7 mm) x 0.67 inches (1.7 cm) (D×L). This ensures that all cables will stay securely in place, while still being easy to remove when necessary

This TW-HKCTH6 nail cable clip is perfect for any job, big or small. Its strength and versatility make it the perfect choice for difficult-to-reach places, and its durable construction ensures that it will last as long as you need it. The 6 mm outer diameter of the clip makes it an ideal choice for those who want a sturdier hold, yet still don't want to compromise on aesthetics.

Installing the TW-HKCTH6 Nail Cable Clip is a breeze. All you need to do is place the wire in the slot and fasten it to the wall with a hammer. The installation process is quick and easy, and once it's done, you won't have to worry about your cables slipping off. This means that you can use the clip for both indoor and outdoor applications, and it won't be affected by weather or other elements.
