The TW-HT-100MH-W Screw Mount Cable Tie 4 inches (10.16 cm) Long 100 Pack 2.5 mm Width 100 mm 4 inches (10.16 cm) Length 100 pack is an essential accessory for organizing various types of cables. This durable product is great for keeping cables tidy and organized to ensure efficient and error-free connections.

The TW-HT-100MH-W screw mount cable ties are made of high-grade, heavy-duty plastic that is designed for years of use and reliable performance. They feature an ergonomic design with rounded edges for maximum comfort. The ties have a 2.5 mm width, and are 4 inches (10.16 cm) long for maximum strength and versatility. The screw holes are located at the base of the tie and are great for securing cables in place without any additional tools.
