The TW-HT-20MH Mount Head Screw Cable Wire Zip Tie is a great way to organize and secure your cable bundles. This cable tie can hold up to 50 pounds (22.68 kilograms) and is strong and durable. It's great for handling big cables. This cable tie comes in black or white and comes in a pack of 100. You can choose from different colors to fit your needs.

You can use a head screw to fix the TW-HT-2MH cable tie to a wall or other flat surface. This not only helps to keep your cables in place, but also ensures a neat and organized appearance. The TW-HT-200MH is here to save the day from messy and tangled wires behind your computer desk.

These mountable head cable ties are not only functional, but also versatile. They come in various sizes and tensile strengths, allowing you to pick the one that best suits your specific needs. With the TW-HT-200MH cable tie, you can secure a few small cables or a big bundle. You can pick a black or white color that fits with your existing decor.
