Are you looking for a high-end HDMI cable that won't let you down when you're streaming movies, gaming, or watching TV? Look no further than the CB-TNC102NBB 30AWG. 24k gold-plated connector, Nylon jacket Black metallic molding 100% Triple Shield HDMI 19 pin to 19 pins. High-end Zinc Alloy HDMI Cable.

This CB-TNC102NBB state-of-the-art HDMI cable is designed to be both reliable and user-friendly. It features a black metallic molding and a durable zinc alloy construction, making it a great choice for any enthusiast. The sleek black metallic finish will also look great in any home or office setup.

The CB-TNC102NBB HDMI cable is designed to offer the highest quality audio and video. It utilizes a 24k gold-plated connector and a 100% triple shield design to ensure maximum signal strength and minimal interference. The 30AWG wire is made from 99.99% oxygen free copper conductor for pristine video and audio.

This CB-TNC102NBB HDMI cable also features a nylon jacket for added durability. The jacket will ensure that your cable remains safe and sound for a long time to come. The crimp-style ends are easy to connect and disconnect so that you can quickly set up and take down your home entertainment systems.
