

AM-21P Easy Installation Wall Mount Bracket

The Vivotek AM-21P is a wall mount bracket for Vivotek IP cameras, such as the SD9368-EHL, SD9384-EHL, and SD9394-EHL. It's compatible with the AM-314 and AM-315 pole mount brackets, the AM-414 corner mount bracket, and the AM-718 junction box. The Vivotek AM-21P is the perfect solution for securely attaching your camera to any wall surface.

The Vivotek AM-21P wall mount bracket is a simple and easy-to-install solution for mounting your Vivotek camera. It is designed with a smooth surface and pre-made holes, making it effortless to install on any wall surface. The bracket is also lightweight, which makes it easy to handle and maneuver during installation. With the included mounting hardware, you can have your camera mounted in no time.
