Waterproof rubber is necessary for outdoor application.

The wall must be capable of supporting over three times as much as the total weight of the camera and the mount.

Maximum mount load capacity is 4.5 kg (9.92 lbs).

The Hikvision AB-FE2 Inclined Ceiling Mount Bracket is the perfect accessory for your DS-2CD2942F-IS camera. This white bracket fits the camera model. The cable entry makes it easy to run your camera's wires.

Made with high-quality materials, this ceiling mount bracket is built to last. Its strong and durable design ensures protracted use, making it a reliable option for your security camera needs. Your camera will stay put, giving you peace of mind and top-notch security for your place of work.

A touch of elegance to your camera setup is added by the Hikvision AB-FE2 Inclined Ceiling Mount Bracket. Its sleek and minimalistic design seamlessly blends in with any environment, making it suitable for both residential and commercial spaces. A sleek and modern option complements your camera perfectly, instead of bulky and unattractive camera mounts.
