

- Maximum Load of 13 lbs;
- Made from Plastic and Beige Materials;
- Measurement of 5.7 inches (14.48 cm) in Length;
- Ability to swivel at a 360-degree Angle.

The body of the CM-208 mount is constructed from a combination of plastic and beige materials, allowing it to hold up against the elements and keep your camera safe from the wind and rain. The low-profile design allows it to be installed in tight spaces, and its 360-degree swivel angle ensures that you have an unobstructed view of your environment.

Benefits
