The CM-WM03-C Wall Mount Bracket is the perfect solution for those who are looking for a reliable and aesthetically pleasing wall mounting solution for their Eyemax NIT C / TIT C Vari-focal Lens CCTV Camera models. This mounting bracket is made from durable aluminum alloy material and has a sleek and modern white surface spray treatment finish.

The CM-WM03-C bracket is designed to help you securely mount your CCTV camera to the wall, while allowing for easy and efficient installation. It comes with a secure and ergonomic locking pin system that makes installation and removals a breeze, and ensures that the camera will remain securely fastened without any worries.

The CM-WM03-C bracket also features a unique cable collecting system, which allows you to store and hide away your CCTV camera's cables in an organized and neat fashion. This helps to make the installation look more elegant and professional. The bracket also features adjustable mounting arms that allow for easy angle and direction adjustments during installation.

The CM-WM03-C Wall Mount Bracket also features a series of ventilation holes, which help to ensure that your camera receives optimum air circulation and heat dissipation. This helps to keep your CCTV camera working in top condition and without any irregularities or malfunctions.
