

IBA-EBS10 byeball DELUXE Smart Wall Mount for Fixed Lens Models

Eyemax IBA-EBS10 Eyeball Deluxe Smart Wall Mount for Fixed Lens Models

The IBA-EBS10 is a dome camera wall mount bracket that is compatible with CCTV and network IP security cameras.

This IBA-EBS10 L-bracket is made of white aluminum construction.

Easy to operate and maintain, you can use this junction box as a mount extension to give the cameras a little extra space and get a better view under the eave.

Anti-UV: The junction box is made of metal, which is UV resistant, which is very suitable for connecting wires internally and slowing down the internal aging of your project. Don't be afraid to place it outdoors.

Shock Resistance durable and Sturdy box is the base of everything. Thick, durable metal IBA-BL junction box is safe for pets and animals and effectively blocks rain, snow, dirt, dust, UV rays and other outdoor threats.

- Provides a compact and neat solution for cable management during installation
- Protects connectors from being rusted or oxygenated
