

# SBM-4343" 4K LED Monitor

## Key Feature

- Single monitor desktop stand
- Compatible with SMT-4343 monitor
- black color
- 100×100 VESA mountable

The Hanwha SBM-4343 desktop stand is the perfect addition to any office space, providing both functionality and style. This 43-inch stand is specifically designed to work with the SMT-4343 monitor, creating a cohesive and sleek workspace. With a 100×100 VESA mountable design, installation is quick and easy, allowing you to start using the stand right away.

One of the standout features of the Hanwha SBM-4343 desktop stand is its ergonomic design. The stand's height and viewing angle can be adjusted to suit your personal preference, ensuring a comfortable and strain-free working experience. This is especially beneficial for those who spend long hours in front of their computer screens. Say goodbye to neck and eye strain with the Hanwha SBM-4343 stand.

In addition to its ergonomic design, the Hanwha SBM-4343 stand is also designed with organization in mind. This stand comes with a cable management system, keeping all your cords and wires neatly tucked away and out of sight. This not only creates a cleaner and more organized workspace but also reduces the risk of potential hazards such as tripping over loose wires.
