- Black hardened tip for strength and durability
- Hole at the end of the handle for easy storage
- Total length of screwdriver range 100 mm

This TO-SD-PH2-100 Phillips head screwdriver set is a great choice for any DIYer or professional tradesman. Manufactured from chrome vanadium steel for strength and durability, the screwdrivers have a soft compound rubber handle for comfort and grip when using the tool.

The TO-SD-PH2-100 magnetic tip of each screwdriver helps to prevent any screws from falling off while in use. The black hardened tip also adds strength and durability, ensuring the screwdrivers can be used many times over without worrying about them breaking or wearing down.

Each TO-SD-PH2-100 screwdriver has a hole at the end of the handle, making it easy to hang the tool up for storage – great if working in tight situations. With a length of 100 mm, you have plenty of reach when using the screwdrivers.

The perfect choice for those who require a quality and reliable screwdriver set, the TO-SD-PH2-100 Philips Head Screwdrivers are ideal for craftsmanship, repairs and other work. The set of screwdrivers makes it easy to get into hard to reach places where a standard screwdriver may not fit.

This TO-SD-PH2-100 Phillips head screwdriver set is a great choice if you are looking for a comfortable and reliable screwdriver set that you can use multiple times without worrying about them breaking. With a length of 100 mm, you have plenty of reach and the hole at the end of the handle makes it easy to store.
