This TO-WBS-06 spade bit set is guaranteed to be a heavy duty and provide strength and efficiency. With a fast start fully tip that delivers a maximum speed and a deep flute paddle that reduces chip breakout for smooth, clean holes, it is the perfect choice for any task. This set also has a flat, sharp hex shank that provides a firm and secure fit, making it the ideal choice for a professional job.

In addition, the impact resistant shaft of this spade bit set reduces the risk of breakage and ensures maximum durability. The durability and strength will allow you to tackle any material with confidence. And since it comes in 6 standard sizes – 3/8 inch, 1/2 inch, 5/8 inch, 3/4 inch, 7/8 inch, and 1 inch (2.54 centimeters) – you will be able to finish a wide range of projects.

When you choose This TO-WBS-06 spade bit set, you will never have to worry about reliability or performance. The deep flute paddle and fast start full tip will make sure that the job is done fast and clean. And because it is designed to be impact proof, you can be sure that it will last you a long.
