The Eyemax BU-1004DN is a powerful surveillance system that provides a top-of-the-line experience. Featuring a 1/4" Sony Color CCD Sensor and day and night sensitivity increasing during nighttime, it offers an impressive 380 (H) TV Line Color or 420 (H) TV Line Black and White with 0.8 Lux Color or 0.01 Lux Black and White. The system also uses a 12 Volts DC power source, 110MA power consumption, and 3.6 MN Fixed Lens Installed. This system is definitely the security of choice for anyone needing a reliable and powerful surveillance system.

In addition to the impressive technology, the BU-1004DN also offers many features to enhance its performance. It comes with a built-in sun-visor, which allows for better visibility and clarity when monitoring the area, and a weatherproof feature that provides protection from the harsh elements. This system is also easy to install and use, with a mount bracket and quick installation guide included in the package.
