

The PoE powered Network PoE Ethernet Extender HA-PX100M-13 is a powerful and versatile network solution to extend your IP camera and PoE devices up to 13 watts

- 10/100Mbps
- up to 13W
- May use up to 4 extensions in the same chain
- PoE standards IEEE802.3af and IEEE802.3
- No Power Adapter required
- Industrial Grade -40 °F (-40 °C) to 113 °F (45 °C)
- Mini-size, wall mounting
- Requires no external power supply
- Low-power consumption, only 1.2W
- Auto-sensing PoE devices

The HA-PX100M-13 PoE powered Network PoE Ethernet Extender features industry-standard IEEE802.3af and IEEE802.3 interfaces for a convenient and secure connection. This device also has the unique ability to use up to four extensions in a single network chain, making it an excellent option for those wanting to extend a network over long distances. With this device, you can easily connect IP cameras, audio and video systems, PoE phones, access points, and other network devices.
