- High resolution HD-SDI 1080P 2K Camera
- 10× Optical Zoom and 32 Digital for optimal picture quality
- OSD Menu Control for customizing camera settings
- Low-power consumption DC 12V .5 Amp.

The XCZ-12102 HD-SDI 1080p 2K Camera is an incredibly versatile and powerful surveillance and monitoring tool. Whether you need to monitor your home, office, or the perimeter of your property, this camera has the features and versatility you need for high-quality video surveillance.

This camera offers 10x optical zoom and 32 digital, and RS-485 (VISCA, Pelco-D, and Pelco-P) for high-resolution images. It also features a high-end 1-2.86" Panasonic CMOS sensor that provides sharp, accurate images even at night. With its minimum luminescence of 0.5 LUX color and 0.001 LUX black and white, you can easily monitor your home or other areas in total darkness. The camera also offers day and night ICR, white balance, DNR, WDR, and BLC for greater flexibility and better image quality.

The XCZ-12102 comes with HD-SDI and CVBS composite dual output, so you can easily view videos on multiple monitors or devices. The camera also features OSD (On-Screen Display) menu control for easy configuration and settings. And to top it off, it runs on DC 12V .5 amp, so you don't have to worry about power usage.
