The Eyemax XHM-202 HD-SDI 1080p 2 Megapixel Resolution 3.7 mm Fixed lens, 1/3" SONY CMOS, Progressive Scan Outdoor IP68 Ingress Protection Vandal-proof Dome Camera is a powerful security tool for any business or home. It features top of the line features such as True Day and Night (ICR) 3D-DNR, Sens-Up, HLM, BLC, OSD control, and 12V DC power with the RG59 or RG6 cables.

The Eyemax XHM-202 features a 1080p 2 Megapixel resolution and 3.7 mm fixed lens for superior clarity and precision. It also has a SONY CMOS and Progressive Scan for unmatched image quality. With the IP68 Ingress Protection, this camera is reliable in outdoor weather conditions and resistant to dust and water. The Vandal-proof Dome Camera ensures that your surveillance is protected from any vandalism and tampering.

The 202 camera also features incredible image processing modes such as True Day and Night (ICR) 3D-DNR, Sens-Up, HLM, and BLC. With these modes, you can achieve optimal image quality even in low light conditions. The OSD control also ensures that your settings can be easily adjusted for your desired result.

The Eyemax XHM-202 is also easy to install and use. It is powered by 12V DC and requires either RG59 or RG6 cables. The camera is compatible with existing HD-SDI surveillance systems and most DVRs. The installation is simple and hassle-free.
