HD-SDI 1080p DC 12V Indoor Case color

Welcome to the Eyemax XID-132V HD-SDI 2 Megapixels 1080p IR Dome Camera with Auto-Iris 2.8~12 mm MegaPixel 1/2.8" Sensor Lens. This high-tech camera is a must-have for any surveillance system.

The Eyemax XID-132V is crafted with the latest in digital technology and meticulous craftsmanship, focusing on power, precision, and dependability. Equipped with advanced features like 2D-DNR and 3D-DNR, Smart NR, Sens-up, and Digital Zoom, you can be sure that this camera will capture every detail, even in low light conditions. To ensure the highest quality images, it features a high-grade IR Cut Filter, preventing interference from external light sources and producing clear, vibrant recordings.

You can use the Eyemax XID-132V for both indoor and outdoor applications. Its compact design is easy to install, and its durable construction means it can withstand all types of weather conditions. Additionally, its Auto-Iris 2.8~12 mm MegaPixel 1/2.8" Sensor Lens ensures perfect imaging every time. This means that you get the highest quality video recording, no matter the conditions.
