

- 1/3" SONY CMOS
- HD-SDI(1080p, 720p) / High resolution (1000 TV line over)
- HD-SDI (High Definition Serial Digital Interface) and 0 LUX at IR on (40pcs IR LED)
- Upgraded waterproof housing(IP67 rating) and MDIR (Motion Detection IR)
- DNR (Digital Noise Reduction) and Smart IR
- True Day and Night(ICR) and Easy Installation
- 3 Axis Concealed Bracket
- 2.8~12 mm DC auto-IRIS Varifocal lens (external angle and focus control)

This sleek camera will take your surveillance efforts to the next level with its XIR-2142FV HD-SDI 1080p, 720p, and high-resolution (1000 TV line over) features. You'll be able to capture clear, life-like images even in low light conditions thanks to its 0 lux at IR on with its 40pcs IR LED lights. You can easily adjust the angle and focus of your camera with its external auto iris 2.8 ~ 12 mm DC varifocal lens, allowing you to zoom in on whatever you need to see.

The XIR-2142FV comes equipped with a 1/3" SONY CMOS sensor, delivering stunning HD images in real-time. You'll be able to capture even more life-like images at night with its true day and night (ICR) and DNR (Digital Noise Reduction) features. This camera also has an M size and Smart IR feature that allows you to capture accurate motion-detection IR, even in poor lighting conditions.

You'll be able to install the XIR-2142FV camera easily with its 3 Axis Concealed Bracket, and its IP67 Ingress Protection rating housing provides superior weatherproof protection from the elements. This camera is suitable for both indoor and outdoor surveillance, and its weather-resistant design will help you maintain a reliable surveillance system, regardless of the conditions.

Overall, the XIR-2142FV HD-SDI 1080p, 720p, and high-resolution (1000 TV line over) are the perfect solution to your surveillance needs. With its 0 lux at IR on with its 40pcs IR LED lights, and its external auto iris 2.8 ~ 12 mm DC varifocal lens, you can easily adjust the camera's angle to capture the best images. Its true day and night (ICR) and DNR (Digital Noise Reduction) features will provide superior night vision, while its IP67 Ingress Protection rating housing will ensure that your camera is well-protected from the elements.
