- DC 12V or AC 24V Dual Power

The XIR-2364FV-B HD-SDI 1080p (2MP) IR bullet camera is an excellent surveillance solution for commercial or residential use. This powerful camera features a 12 COB IR (infrared) array, a 6 to 50 mm auto-iris Varifocal lens, and an upgraded IP68 ingress protection housing. The XIR-2364FV-B offers outstanding image quality, even in low-light conditions, with its 0 Lux at IR On (12 pcs of COB IR LED).

The HD-SDI 1080p (2MP) resolution of the XIR-2364FV-B delivers amazing clarity and detail for all of your surveillance needs. The 12 COB IR LED array produces high-quality images even in total darkness, ensuring you never miss any suspicious activity. Additionally, the 6 to 50 mm vari-focal lens allows you to easily adjust the angle and direction of the camera for your desired coverage area.

The XIR-2364FV-B also boasts an upgraded IP68 ingress protection housing for reliable performance in extreme weather conditions. The camera is also designed with an RS-485 option for convenient control and monitoring. And with the dual power input of DC 12V or AC 24V, you can always ensure that your surveillance system is operating properly.

Overall, the XIR-2364FV-B HD-SDI 1080p (2MP) IR bullet camera is an ideal solution for any surveillance needs. With its superior image quality, adjustable vari-focal lens, and rugged housing, this camera ensures that you get the most out of your surveillance system. Additionally, the dual power input and RS-485 option gives you more flexibility and convenience in managing your system.

All in all, the XIR-2364FV-B HD-SDI 1080p (2MP) IR bullet camera is a powerful and reliable surveillance solution. It offers superior image quality, adjustable lens, durable housing, and flexible installation options. Whether you're looking for a reliable and convenient solution for your home or business, the XIR-2364FV-B is an excellent choice for all your surveillance needs.
