The AVST-RT104 series A-HD DVR System is designed to work with A-HD, 960H and analog cameras, so you'll have a wide range of choices when it comes to camera selection. A VGA and HDMI output are available for easy connection and viewing of recorded footage. There's also 4 CH Audio-in and 1 CH output for better sound capture and monitoring. To help protect your property, the DVR system also includes motion detection and email/FTP alert functions.
