

- Up to 8 TB 1-SATA hard drive
- Support H.265/H.264, audio over coaxial cable
- TVI, AHD, CVI, CVBS, IP cameras with adaptive access
- HD BNC plus 2 IP
- NDAA Compliant
- 1-ch CVBS output, 1-ch VGA output, 1-ch HDMI output
- Long transmission distance over coaxial cable
- Support mainstream cameras of ONVIF and RTSP protocols
- 2 x USB2.0 ports
- High-resolution support: up to 4K/8MP
- Adaptive access of multiple camera types: TVI, AHD, CVI, CVBS, IP
- 1-ch CVBS output, 1-ch VGA output, 1-ch HDMI output
- HDMI and VGA simultaneous output, up to 4K resolution
- Improved surveillance coverage with HD clarity and increased field of view
- Prolonged transmission of digital signals for long distances
- Compatible with mainstream cameras of ONVIF and RTSP standards
- Reliable power supply with 12V DC input

The XVR301-04Q3 Uniview is a network video recorder (NVR) that allows users to store and record video footage. Featuring a 1-SATA hard drive up to 8 TB, this Uniview model supports up to 4K/8MP resolution. This advanced NVR supports H.265/H.264, audio over coaxial cable (only for TVI cameras), TVI, AHD, CVI, and CVBS, plus IP cameras with adaptive access.

The XVR301-04Q3 also features 4 HD BNC plus 2 IP. It is also NDAA Compliant and has 1-ch CVBS output, 1-ch VGA output, and 1-ch HDMI output. Furthermore, users can make use of HDMI and VGA simultaneous output, up to 4K (3840 × 2160). It also offers long transmission distance over coaxial cable and is compatible with mainstream cameras of ONVIF and RTSP protocols. For added convenience, it has 2 x USB2.0 and 12V DC Power.

The Uniview XVR301-04Q3 is a great choice for those seeking a comprehensive yet user-friendly NVR. All of its features are designed to give users advanced control over their recordings, allowing them to easily manage and store video footage with maximum efficiency. With its 4K/8MP resolution, long transmission distance, USB2.0 and 12V DC Power, this Uniview model is perfect for anyone looking for an NVR that offers top performance.

Overall, the XVR301-04Q3 Uniview is an ideal choice for anyone looking for a complete NVR with comprehensive features. It offers an advanced image quality, impressive resolution, and a wide selection of recording options. Plus, its long transmission distance is perfect for businesses or places that have multiple cameras. Furthermore, its USB2.0 and 12V DC Power ports make it easy to connect and use. All in all, the XVR301-04Q3 Uniview is a great choice for anyone looking for an advanced NVR with user-friendly features.
