

This CN-FR2B1-WH Double Gang White Recessed Cable Pass Through Wall Plate offers a convenient way to route cables between the wall and the floor without having to cut any openings in your walls. The two-gang design of this wall plate allows for easy setup and installation, and the white coloring adds a stylish touch to any space. The wall plate features a recessed design to ensure cables stay out of sight and out of the way, making this an ideal accessory for any home or office setup.

- Two-gang design provides plenty of room for cables to pass through
- White finish gives a modern look and feel
- The recessed design keeps cables out of sight and out of the way
- Easy to install with included mounting hardware
- Ideal for home or office setup

The CN-FR2B1-WH Cable Recessed Double Gang White Recessed Cable Pass Through Wall Plate is an essential device for anyone who needs to manage and secure their cables. With its sleek and modern style, this recessed double gang wall plate offers a practical and efficient way to manage cables and cords. This wall plate's design helps it to blend seamlessly into the wall, creating a neat and tidy finish to any living space.

The CN-FR2B1-WH Cable Recessed Double Gang White Recessed Cable Pass Through Wall Plate is made of durable ABS plastic and is designed to be resistant to impact and wear and tear. The wall plate's double gang design allows for two sets of cables to be passed through and managed. Its recessed design also helps to keep cables out of view and gives the wall a cleaner and tidier appearance. A hanger bar is provided as part of the wall plate to help securely hold cables in place.
